

Bebuddies

Help Bebuddies EnviroNate

**Create a
world
in harmony!**

10 things you can do at Home and at School that will help keep our World healthy!

Recycle

1. Create a recycling program for all paper, soda cans and plastics used.
2. Create a “No Waste” program for the cafeteria, lunch boxes and school events.
3. Ask parents to set-up carpools for school and to enforce a “No Idling” rule when waiting for pick-ups.
4. Replace home and school existing light-bulbs with newer compact fluorescents.
5. Cut back on the use of paper. Be sure to use both sides before putting in the recycle bin.
6. Have a tree planting day. Plant trees/flowers that are local to your area.
7. Recycle all vehicle fluids and batteries.
Call 888-CLEANLA (888-253-2652)
www.cleanla.com
8. Keep ants away by using one of the following: salt, sage, red chili powder, cucumber peelings or cream of tartar powder.
9. Donate outgrown clothes to a charitable organization and include end-of-the-year “lost & found” items from school.
10. Turn OFF the water when you are brushing your teeth!

Restore

Help city planners set aside areas for parks, community gardens, regular replanting of trees, bushes and flowers. Look into restoring old buildings instead of tearing them down.
